

Invitation Letter

Dear Colleague,

It is our pleasure to formally invite you to attend the Asian Congress of Structural and Multidisciplinary Optimization 2024 (ACSMO 2024), which will be held in Zhengzhou, China, May 19-23, 2024.

ACSMO is an official conference sponsored by ISSMO (International Society of Structural and Multidisciplinary Optimization) and ASSMO (Asian Society of Structural and Multidisciplinary Optimization). The conference will be organized by Dalian University of Technology and assisted by Zhengzhou University.

Structural and multidisciplinary optimization is a hot topic in both theoretical research and engineering applications. Following the successful eight CJK-OSM conferences and four ACSMO congress, the ACSMO 2024 will be held in the famous city Zhengzhou, the root of Chinese civilization. As before this will be a forum for exchange of recent research ideas and fostering new developments and new applications from various fields, and we hope ACSMO 2024 will encourage joint researches among researchers, practicing engineers and students of all countries.

Registration and accommodation information is available on the [ACSMO 2024 Congress website](https://www.acsmo2024.cn) (<https://www.acsmo2024.cn>).

We look forward to welcoming you at ACSMO 2024 in Zhengzhou.

With best wishes,

Yours sincerely,

Prof. Gang Li
General Chairman, ACSMO 2024
Dalian University of Technology, China
